

# Our Team, Our Language

Learning Cymraeg, together.

## About the project

With the World Cup just around the corner, we're making it easier than ever for Cymru fans to learn and enjoy the Welsh language, thanks to a new partnership between the Football Association of Wales (FAW) and the National Centre for Learning Welsh.

## Why now?

With Cymru's historic place in the World Cup, there is no better time to start learning Welsh. We have lots of resources to support you to learn Welsh during the World Cup which you can find at [learnwelsh.cymru/football](https://learnwelsh.cymru/football). Or go one step further and sign up to a beginners' course through [Learn Welsh](#) that will kick off in January.

## Get involved

1. Learn online at your own pace through the [Sport and Leisure Course](#). This free course includes 10 units (around 10 hours of learning).
2. Register for a Welsh beginners' course starting in January. You can choose the day, time and dialect that suits you best. Courses are available in face-to-face settings, or in virtual classrooms. Explore the course that is best for you [here](#).
3. Enjoy learning '[Hen Wlad Fy Nhadau](#)' and '[Yma o Hyd](#)'.

## You can help encourage more people to learn Cymraeg by posting on social media:

If you want your own social media posts translated into Welsh, just send them our way and we'll help.
